Nutella[®] Halloween jar

Easy

To make it, you will need:

A small 450g Nutella[®] jar

White spray paint

Underlay (e.g. newspaper)

Coloured pens that work on glass

LED tea light or fresh flowers with water (e.g. dahlias)

INSTRUCTIONS

**1**

Place the Nutella® jar on your newspaper and paint the outside of it with white spray paint. Allow to dry before starting the next step.

**2**

Paint the jar with a skull and flowers design. For inspiration, check out pictures of "Día de los Muertos" or let your creativity run free.

**3**

Place an LED candle in the finished Nutella® jar or fill it with water and use it as a flower vase. Your Halloween jar is ready!

Tip: Make lots of Halloween jars and decorate them as you wish!
